Young Leaders Program 2023

Rackets Academy Young Tennis Leaders is our exciting leadership program for young people aged 11 to 18. The program provides young people, whatever their tennis ability, with the opportunity to gain invaluable leadership skills both on and off court. All course materials and resources are provided free of charge, and the content can be delivered by any Rackets Academy LTA Accredited Coaches

What is a tennis leader?

Tennis leaders support coaches, volunteers and teachers to deliver tennis sessions on court, and support the running of a venue or event. They are a role model to younger players, members and school children, and inspire others to play. Off-court, they help volunteers, teachers and club management committees to make sure tennis is relevant, accessible, rewarding and enjoyable.

The program is an excellent way of helping young people into leadership opportunities across tennis, sport and beyond, whatever their interests.

Becoming a tennis leader

Tennis Leaders is suitable for juniors whatever their relationship with tennis – from those brand new to the sport through to those playing regularly.

If you are aged 11 to 18, speak to your sports coordinator, teacher or coach in your club or school to get involved. You will gain invaluable skills and experience that you can use throughout your life – whether in tennis or sport, or outside it. Upon completion of the course you will receive:

- A branded Rackets Academy Young Leaders Tennis t-shirt
- A certificate for each module you complete
- A workbook to refer back to

Tennis Leaders provide be able to:

- Be an extra pairs of hands in delivering their tennis program
- Fantastic role models for younger members or pupils to look up to
- Help to attract more young people to participate in tennis
- A fun and rewarding personal development opportunity. The delivery skills differ slightly from other sports
